Limited Edition nv/sa

Location

Kortrijk, Belgium; Paris, France

Area

96 m²

Photographer

Nicolas Schimp

The concept of the Limited Edition booth was based on the circular agriculture fields that are tangents to each other. The carpet are cut in a circular shape with different radius and are positioned the same way as the circular fields creating small islands where several functions can be hosted. The colours of the carpet are following a gradient from dark to warm colours. The walls of the exhibition space are backlit where the black panels are laser cut creating gradient pattern made from circular shape. This gradient is making a constant

changing space ambient. The ceiling is the reflection of the floor outlined in black and white. The space propose different areas; Bar area where people stand up and can drink and socialise, Lounge area where people can sit, samples area where the products can be seen and touched. The furnitures are following the circular shape creating intersections of social communications made by their positioning.

LE 展台的理念立足于环形耕地。各个圆形相切，按不同的半径将地毯裁剪成圆形，并且用同样的方法摆置，仿佛这些圆形图案变成了一个个小岛，将该展厅划分为不同的功能区。地毯的颜色按照由暗色系到暖色系的方式排放好。展厅空间的墙面做成背后打光式墙面，圆形的激光切割黑色面板创造出渐变的效果。这种效果不断地改变着周边的空间氛围。地板的轮廓反射到天花吊顶，呈现出黑白相间。展厅划分成了不同的空间：酒吧区——人们站着饮酒社交；休息区——人们可以坐下休息；产品样品区——在这里，人们可以看到并且触摸产品。家具依照圆的形状摆放，在位置上为人们的社交创造了交集。
